

border+tec™ BTR

Bordertec BTR is an innovative modular solution suitable to finish and contour balconies and tiled terraces. The profile ensures a modular solution which can match with the most popular tile sizes and finishes for external use. Bordertec BTR mounts with the additional modules series TR, which slide into the basic module track allowing it to adapt to any tile thickness. Clip system: profile=tile thickness- 2 mm.

Assembled

BORDERTEC BTR-AS Silver Anodised Aluminium

This profile has a silver coating and is suitable for both indoor or outdoor application with high tolerance to weather agents. During installation, excess adhesive and grout should be removed immediately to avoid stains.
