

**STAIRTEC SM** is a stair nosing profile made in aluminium or brass with an anti-skid rubber grooved or flat smooth insert. It is truly ideal for protection and as a safety measure of stair steps with carpet or rubber covering. The profile can be fixed by screws which are placed within the rubber insert track so that the screws become invisible.

stairtec™ SM

**STAIRTEC SM 14 A\*N Extruded anodised aluminium**

This anodised aluminium profile is supplied in Silver (ASN), Gold (AON) and Bronze (ABN) finish. It is tolerant to oxidation.

Anti-slip insert SMI, SML not included ( see next page).
